

Cedars Charitable Trust aims to be a vital resource for Special Education Needs (SEN) provision in Gateshead, a centre of excellence and, primarily, a provider of learning, training and employment pathways for people with disabilities or learning difficulties.

We Believe

Community engagement changes lives for the better and can radically transform the futures of young people.

Our Mission

Ours is a community of development, where secure partnerships create opportunities for groups and individuals to grow to become intellectually, emotionally and socially *Fit for Life*.

Our Purpose

We provide a wide range of high quality, specialist and personalised education, training, care and support to young people and their families.

Who We Support

We meet the needs of young people with physical, sensory and medical needs, speech, language and communication disorders, autism, and a wide range of other complex needs often associated with emotional vulnerability.

Cedars Charitable Trust has a well-established and recognised record of excellent practice in a number of key areas:

- education
- training
- sport
- preparation for adult life

The natural progression will be to develop our prime function further, drive forward the inclusion and equity agenda and lead to development of the Trust's role as a hub, a resource for wider SEN provision in Gateshead, a centre of excellence and, primarily, a provider of learning, training and employment pathways for young people with SEN.
