

CEDARSTIMES

JUN-JUL
EDITION 2019

WALK THE TYNE

On Friday 12th July most of the school took part in a sponsored walk for the last leg of our Travel the Tyne events.

We were very fortunate to have a gorgeous day for walking in, and everyone who took part enjoyed it. It was a very successful day and the **total amount raised from all events was over £2600**. Thank you very much to everyone who took part and donated!

This year we have talked a lot about what we want to do when we grow up, a lot of class 10 will be moving on classes in September and they have told us what they would like to do when they grow up.

CLASS TEN

- Hope - Be on the stage
- Becky - Be a Chef
- Billie-Jo - Ride a horse
- Riley - Be a footballer
- Rhys - Be a carpenter
- Siobhan - Be a Chef
- Chloe - Work in McDonalds
- Lucy - Be a Chef
- Emily - Work in a dentist
- Erin - Work in a vets
- Phoebe - Be a Housekeeper
- Corban - Work in a pub to make people happy

Class 6 had a fantastic time competing in the Tyne and Wear Swimming Finals.

Through hard work and dedication **Class 6** are the new Under 12's Champions of the Tyne and Wear Swim Panathlon Challenge.

RETURN TO SCHOOL
03.09.2019

3

Class 3 were lucky to be invited by Dance City to try out Green Croft on the Wall's new installation of 'A Secret Garden'. This was a fun, interactive installation allowing pupils to explore the garden through movement, using their bodies to make things happen. Everyone had a great time and gave some positive feedback to Amanda and Susie on what they enjoyed and what would make the project event better. The pupils thought it was AWESOME!

Kingswood

Learning by doing

Pupils from Classes 4, 5, 6 & 7 spend 2 FANTASTIC nights at Kingswood. They experienced:

- Laser Tag
- 3G Swing
- Den Building
- Nature Walking
- Climbing
- Archery
- Obstacle courses
- Abseiling
- Fencing

Well done to all that went !

Class 4 have had an amazing term to end the school year. We have thoroughly enjoyed our topic and going on a journey around the world.

We particularly enjoyed visiting the Winter Gardens and immersing ourselves in the tropical rainforest environment.

Our activity day in Druridge Bay was amazing too! We worked amazingly well together on orienteering, team building and identifying features of the natural environment.

All of class 4 worked extremely hard on our most recent outing at Gateshead leisure Centre where they participated in a Multi- sport festival. We were immensely proud that we managed to compete against other Gateshead schools and secure silver medals for 2nd place.

It has been an amazing year and we have enjoyed every minute!

4

The **Cedars Parents** have had a great 2018/19 we have met once a term for a catch up and to organise things such as the Xmas party/ raffle and Summer fairs. We had a fab time kayaking the Tyne with a great turn out on the day to support us and we have been an active part of helping with the post 16 issues. We would like to thank everyone that helped support our fab school this academic year and look forward to an even better 2019/20 where we have more family events planned.

Class 13 enjoyed a trip to Saltwell Park. We enjoyed seeing the animals, guiding each other around the maze and playing basketball before having our lunch. We all had an ice lolly on the way back to school to help us cool down. We had lots of fun.

13

CLASS two 2

Class 2 have had a fantastic final half term to the school year. We have been looking at our sensational summer at the beach! We started off by reading *The Lighthouse Keeper's Lunch* and looked at his picnic. We made jam sandwiches for snack, disgusting sandwiches to scare away the seagulls and wrote instructions for the Lighthouse Keeper. We went on a class visit to Blyth Beach. Every pupil was fantastic and thoroughly enjoyed their day! We played in the park, on the sand and in the waves. We finished off with chips and an ice cream. In maths we have been gathering data of people's favourite ice cream and presenting this in bar charts. We have also explored capacity in making our own ice cream. We have also had a special visit to Dippy the Dinosaur and some messy play! **Well done Class 2 for a brilliant year.**

CLASS 1

Class 1 have had a great term learning all about weddings. We visited St. Ninians and had our own wedding where we all got dressed up and had our special parts to play! Mrs Ali also came into our class so we could explore weddings across different faiths. We loved wearing the colourful costumes. Finally we visited Redworth Hall as Ms Cornell is getting married there over the summer holidays. The wedding co-ordinators showed us the grand hall, we all walked down the aisle and were given a special present.

Class 12 completed the Sandcastle Challenge on Friday 5th July for the 3rd year. This years topic is, 'Build a Better World', so we thought about the environment and all the things we would like to keep in our world and all the things that we would like to get rid of; things that are causing our world harm eg, pollution.

Class 12 have had a fantastic day out for their treat day despite the rain. They popped on to the 21 bus into Newcastle, everyone paid for their own bus ticket. When they all arrived in Newcastle, they went to play miniature golf at Mr Mulligans. It was out of this world!

Class 12 then visited Saltwell Park in the afternoon and enjoyed running around the maze and seeing the animals, especially the naughty bird!

CLASS 8

This term **Class 8** have enjoyed planning and making videos linked to our topics. As we are nearing the end of the school year, we have been reflecting on our year as a class and looking at all of our achievements. As a class we have wrote a small poem along with a letter and posted them to our neighbours in the surrounding areas of school. This was part of our wellbeing and community topic. The children loved going out to meet some of our neighbours around Ivy Lane and have thoroughly enjoyed receiving letters and emails back from them. Here are some of the responses. As we near the end of term and the summer holidays Class 8 would like to take this opportunity to say how much we have enjoyed going out on educational visits, taking part in fun lessons and most of all enjoying each other's company. **What an awesome year! Happy Holidays everyone!**

Dear Class 8

Thank you very much for sending your awesome poem.

I live at number [redacted] Ivy Lane with my daughter [redacted] and our two cats Beans and Bubbles - you might have seen them as they like to wander from their garden into your school. Sending a picture of them for you to look at. They are very friendly and love a gentle stroke.

I don't need any gardening help at the moment but that's a very kind offer. I'd be happy to come and visit with you though. In the meantime hope you've enjoyed your Easter Holidays and had some fun and some chocolate!

From your neighbour

Xander
I have enjoyed spending time with my friend Ethan. I have also liked making powerpoints in PSHE & humanities.

Keaton
I have enjoyed using the iPads to make movies with Lighton, Kai, Frankie & Logan.

Logan
I loved spending time with and caring for the two school hamsters, Ringo & Hammy.

Luca
I have loved reading Harry Potter and the Philosphers stone. It was amazing. My favourite character is Harry.

Sarah-Kate
I loved being chosen to sing a solo at the Impact awards.

Kai
I liked learning about World war Two. The best bit was learning about the transport. I loved making a paper spitfire and racing it in the war.

Benji
I have enjoyed Miss Clarke's lessons. Especially, English & maths. I am proud of my maths work. I am better at multiplication & division.

Katie
I have enjoyed doing peers group. I have made some really good friends this year.

Rhys
I have enjoyed doing lots of different sports in PE and after school clubs, especially football & basketball.

Ethan
I have really enjoyed learning about world war 2, especially the quiz at the end. I worked well with Keaton & Kai, & our team won!

Oliver
I loved going on school trips with my friends. I really enjoyed going to Jesmond Dene & the Discovery Museum.

9

CLASS NINE

The students in **Class 9** have had a fantastic year. We have seen them grow in confidence, happiness and maturity. They have made fantastic progress, built strong relationships and learnt lots of new information. We asked them what they have enjoyed about school this year:

CLASS 14

Options Art class went to visit the North Shield's Fish Quay to meet some local retired fisherman and gut fish, the fisherman told us dangerous tales of the high sea's and then how to catch fish. We pretended to be fish and the fishermen caught us in the nets. After the fish gutting we went to Low Light's Gallery to take part in an art workshop where we created arts and crafts, batik art and making a fantastic wooden sculpture chair.

A great day out.

Staff at Cedars would like to wish all of our Year 11 leavers the best of luck at their new College.
